

# Technology Committee Minutes

September 11, 2017

**Attendance:** Lori C, Samantha B, Allison D, Wendy S, Carly C, Cheryl K, Joan M, Aaron Brayal, Matt Krohn

**Agenda:**

- Review the current plan Lori put together
  - Found a need to add more interactive boards
  - Added more teacher laptops
  - Talked about negatives of tvs in the middle school and wants for chromecast
- Setting goals and tying in needs for new technology plan
  - New items must tie in with school goals
- Looking to add a year every year to the new plan.
  - This will help make sure we are personalizing our technology needs to our teachers, building, and school goals
- A 3 year plan right away is hard to do and not very proactive for new technology
  - We will add a year as we go forward

**Next Steps:**

Add two years to the plan Lori created

We will add additional year after that

**Goals:**

Draft outline

Send Survey - Carly and Wendy

Add action steps to goals to help get budget approval - everyone will look over current plan Lori put together

**Next Meeting:**

10/4 at 4pm
