

**AUBURN SCHOOL DISTRICT
VENDING MACHINES**

The installation and use of vending machines in the schools will be controlled so that they will complement the school lunch program and encourage students in good eating habits.

The service and sale of all food and beverages to students during school hours will be under the control of the school's food service department.

Vending machines may also be operated by the school in employee lounges for employee use only. The funds derived from such operation will accrue to the internal accounts fund for the individual school. Vending machines may be operated after school hours for student use. The revenue from such sales will be deposited and accrued to the food service revenue budget.

The Food Service Director and Principal(s) will submit to the Superintendent annual financial reports as part of the regular accounting procedures.
