3 December Tech Committee meeting

Opened at 405PM
Attendance: Chair Bob Strobel, Lori Collins, Lindsay Murray, Andrea O'Neil, Carly Cohen

Agenda -

- Minutes taker volunteer - Thank you Carly

1) Zoom authentication for students
    - Affected situations
    - Turn off for PMIs when needed
    - Rollout?
- Names go with email, need SAU 15 account to join
    - Would need to turn on to restrict meeting when starting personal meeting
- Adult meetings restriction can be turned off BEFORE meeting starts
- Needs to be adopted SAU wide
- Meeting ID and PWs - how affected?

2) Student monitoring software
    - GoGuardian underway - tech issues
- Linked to clever
- See what they are looking at, filtering by subject/schedule/task, color code for task status
- Private message, close tab
- K-8 trial 12/11, asking for extension, hopefully by 18th
- In spring 2020 we piloted securly -- very costly relative to other options
- Similar to adding seesaw custom class
- Open to everyone to pilot
    - Will ask for extension on trial (currently thru 11 Dec)
    - Lightspeed Classroom - after break
- January trial week/2 weeks
    - Comparison between - By Team
- Teachers will compare the two on a google doc (Andrea will manage)
- Will work when we are remote as well

3) Process for adding approved software?
    - Request to TechDir
    - Research
- Security for schools, need plan, websites used to teach, new website put in schooldude request
    - SDPC agreement?
        - If not, what triggers making one?
            - Number of requestors?
            - No alternatives?
            - Other?
- THANK YOU!!!
- Auburn is only SAU15 district that got all of their chromebooks, only missing a dozenish

Adjourned at 450PM
