OPPORTUNITY FOR PUBLIC to ADDRESS THE BOARD

Stephanie Billingsley asked the Board on behalf of the PTA, asking if the Board would consider funding transportation to field trips. Alan Villeneuve stated that the Board will be discussing finances later in the meeting and she would have her answer then.

Kathy Roggenbuck asked the Board to consider a snow day or a half day for April 8, 2024 because of the solar eclipse. Lori Collins said a large event has been planned at the library which would cause a lot traffic issues during dismissal. Some discussion ensued. Alan Villeneuve felt it was a good idea to schedule a ½ day and if the weather looks to be clear, have a full day off. The other Board members didn't feel they had enough time to think about it and questioned having a day off when there would be a possibility of having poor weather that day.

FINANCIAL

Expenditure Report

The expenditure report was in the packet for review.

Manifest Approval

Motion by Janice Baker, seconded by Derek Berger, to approve the manifest in the amount of \$985,603.82, and the motion carried unanimously.

Bill Rearick spoke to the financial state of the district. Chris Osborne, Interim Director of Student Services, stated that she recently identified a number of costs in that department previously unknown to the district which will result in a significant shortage for the year-end budget. Adding to that, a considerable number of unexpected students with special needs have moved in to the district. Compounding the issue was that the purchase order process was not being properly followed upon signing contractor agreements. Considerable discussion ensued. When asked how bad this is, Business Administrator Cory Izbicki said it will be tough for a couple months, but we will get through it; we will continue to meet with the attorney to find possible options. Cory said he reviews these things every day. He said he can run a balance sheet, but has only been focusing on the expenditure side; cash flow is not a problem. The Board discussed possible ways to make cuts to non-contracted expenses and will meet again on March 21 to further discuss options. Until that time, there will be a hold on spending and on things such as spring sports, field trips, supplies, and other non-essential items.

PUBLIC INPUT

Jennifer Aldredge asked where the checks and balances have been in light of this big of effect on the budgetthere should be layers of checks and balances.

Janice Baker questioned some charges on an invoice and requested that the invoice be verified before being paid.

Motion by Janice Baker, seconded by Adrian Newton, to amend the prior manifest approval to approve \$981,359.07, and the motion carried unanimously.

NON-PUBLIC SESSION: RSA 91-A:3 Section II (a-I if necessary)

At 8:45 p.m., motion by Derek Berger, seconded by Adrian Newton, to enter into a non-public session under RSA 91-A:3 Section II c. A roll call vote was taken. With all in favor, the motion carried.

AUBURN SCHOOL BOARD MEETING MARCH 21, 2024 AT 6:00 P.M. AUBURN VILLAGE SCHOOL CAFETERIA

These minutes have not been approved.

William (Bill) Rearick called the meeting to order at 6:00 p.m. Those in attendance were members Alan Villeneuve, Janice Baker, Derek Berger and Adrian Newton. Also in attendance was Principal Lori Collins, Interim Director of Student Services Christine Osborne, and Interim Business Administrator (BA) Karen Lessard.

Bill Rearick said the first order of business is for Board Reorganization.

Motion by Janice Baker, seconded by Derek Berger, to nominate Alan Villeneuve as Board Chair, and the motion carried unanimously.

Alan then presided over the meeting.

Motion by Adrian Newton, seconded by Derek Berger, to nominate Janice Baker as Vice Chair, and the motion carried unanimously.

PLEDGE OF ALLEGIANCE

Dave Jenkins led the attendees in the Pledge of Allegiance.

PROOF OF POSTING

Bill Rearick provided proof of posting.

Alan Villeneuve opened the meeting and explained that the school district has a budget problem. Alan stated that no money is missing. It is an over expenditure. It was due to mismanagement in two different, very important positions, in addition to an unexpected influx for intense special education services. The district needs to budget for students ages 3-22. Budgets were created 18 months ago. There have been a number of new, unknown students and the intensity of needed services in the special education department. Alan said there are fewer and fewer out of district placements and therapists are scarcer. All districts are competing for available services and costs are increasing. Alan said until recently, the special education department hadn't been tracked properly as it had in the past.

The Board provided a presentation outlining the 2023-2024 budget and the amount the budget was over - and provided information on special education enrollment. Alan summarized the presentation, and said it was a work in progress. It addressed items causing the over expenditures, which included how they happened, the impact, the solution, and how to go about preventing them in the future.

The impact on next year is still unknown and hard decisions will have to be made. There is an interim Business Administrator and Director of Student Services and controls will be tightened. Policies and procedures will be reviewed.

The slideshow pages are attached to these minutes.

Alan Villeneuve asked the Board if they had any questions about the overall plan presented in the slideshow. Janice Baker said she had no questions, but that there has been a good group working on it. They have reviewed all avenues of funding.

Derek Berger asked if they need Board action to over expend. Bill Rearick explained the process to over expending regular education funds, but that special education over expenditures do not need approval. Asked by Adrian Newton if the plan included the potential cost of students who are currently in the referral process, to which Lori Collins stated that all students that currently receive, or have been referred for, special education administrative assistant's position, to which Lori Collins stated that the front office people would do so. They will contract with Hooksett for additional needs.

Janice Baker said the community is already starting to organize around making spring sports happen even without District funding. Derek Berger asked if there are any options to work with Hooksett or Candia regarding high school busing. Bill Rearick said if all high school buses were cut there would be a savings of \$30,000. . Adrian Newton asked how the school supply inventory is. Lori Collins said they are in good shape, but if there are any needs, she will reach out to the PTA.

PUBLIC INPUT

Jen Raspuzzi-Maple Farm-Surprised but not shocked. Not a coincidence there is an interim BA and Special of Special Education. Need more transparency on what is going on. Feels for 8th graders losing out on spring sports. Make cuts not directly affecting students. Impropriety is going on.

William Socha-Londonderry Tnpk-Where is Tracy Griffenhagen. Have had a year and a half of incompetence. Who is being held accountable? Alan Villeneuve said we are here to be transparent. There has been an over expenditure of the budget. The amount of special education services has been tremendous. The amount of new students were not budgeted for. Transportation and programming for special education costs are incredibly high due to the number of services required by Individual Education Plans (IEPs). We are in a consent state. These are our students. We are here to solve a problem. Board knew the problem was coming, but the extent was more than expected.

Christine Molan-Fox Drive-What are you doing about next year. How was this not forecasted. Need to put buffer in place. Very disappointed. They failed the community.

Aaron Beaudry-Spruce Ln.-Auburn received \$584,378 in COVID funds. Where is that. Why cut line items in the budget such as sports and field trips that were already accounted for. Use funds not mandated to pay. Alan Villeneuve stated that the school can't use the portion that went to the town. Instead, school districts received ESSR funds which were very restrictive in how they could be used. There is \$18,000 remaining. Tanya Pellerin-Bus Driver-Had years of not being able to cover bus runs, now trying to cut hours. Drivers deal with parents lashing out and feel they have no support. How are kids going to get to school.

Alan Villeneuve said they are very limited as to where to find money. Everyone is feeling this. They are all difficult choices.

Heidi Rose Mader-Saddle Hill-This is helpful information. The board said they were blindsided nine days ago, but board member Janice Baker mentioned overages at a board meeting in December 2023. Where has the oversight been since then.

Bill Rearick said that he was working with the previous special ed director and business administrator to try to get that information. He said there had been a number of meetings and, with the information given at the time, the trust fund anticipated revenue would have addressed the issue. Shortly afterward we became aware that the projected revenues were inaccurate. In addition, the interim special ed director found that expenses had not been provided to the business office. We had faith our staff was providing valid information.

Rachel Alling-Pond View-Appreciates AVS. Are we looking at a full picture of catastrophic (CAT) aid. Are we maximizing all available funds. Hire consultant who can make sure we're maximizing funding.

Bill Rearick stated that we just found out that the CAT aid paperwork hadn't been filed properly since July. This has since been rectified.

Ronja Stavrou-Chester Rd-How many students were budgeted for and how many do we have.

Alan Villeneuve said we budgeted for 8 pre-schoolers and have 19. K-8 remained the same. High school is 1. Out of district placements have doubled. Total budgeted 110, actual 120.

Brittany Farugio-Wildwood-Concerned with IEPs being done correctly. Concerned with interim overseeing two districts. Make staff follow IEPs appropriately.

Alan Villeneuve stated that the reassignment of paraprofessionals were not special ed paras.

Emily Dunn-Buttonwood-Town has a ginormous issue without having their own preschool program here. There are a lot of out of district placements and preschoolers that can't be serviced here. Should have a self-contained program or a preschool program.

Alan Villeneuve stated that a preschool program is in the works. The board has talked about logistics, but tonight's discussion is about the 2023/2024 budget.

Christine Molan-Have you talked to the town for funding.

Alan Villeneuve said town and school budgets are totally separate. The only way to get funding is to have a town election day and the state sets the parameters for those. There is no avenue of collecting funds and it can't be done before June 30.

Cullen Bohak-Wilsons Crossing-Disappointed in no spring sports. If they knew, they could have had a fundraiser. Alan Villeneuve said spring sports weren't cancelled, they are just no longer being funded. There are a group of people dedicated to spring sports.

Rachel O'Boyle-Berry Patch-This is unsettling. Accountability and responsibility are important. Parents will help with supplies and finding supports. Maybe administration and superintendent can give up some of their salary. Alan Villeneuve stated that the Superintendent is an SAU employee and not one of the Auburn School District. Emily Socha-Londonderry Tnpk-Is a contracted physical therapist. Has had concerns with the special ed department many times over the past year due to how it was being run. Spoke to Lori Collins and Tracy Griffenhagen about deep concerns. The school board was aware two years ago. So many concerns. So little oversight. Many complaints.

Amy Johannet-Lovers Lane-Relies on high school busing, and sports are important.

Dan Connelly-Juniper Circle-Went through this in Virginia. It is likely possible that cuts this year will continue into future years. Who can the public write to at the state level to allow for an election. Help us help you.

Patrick Kelly-Westford Dr.-Is the shortfall all special ed. Is the salary for the special ed director still on the books. Does the SAU have the BA on their books.

Alan Villeneuve said what pushed it over was special ed students, special ed services and special ed transportation. If the job had been done correctly, the district would have hundreds of thousands more dollars.

He said part of the special ed director salary is left but because the BA is an SAU position, there is no money there.

Mr. Kelly asked why is no money coming from the Superintendent. Hold the SAU accountable for screwing up. Give the BA's cut to Auburn.

Donna Tousignant-Cole Road-Can you budget in anticipation of students moving in. You must plan ahead. What is the process of reviewing IEP's and purchase orders. How long does the board take on putting together a budget.

Alan Villeneuve said the district can't ask the taxpayers for a budget that includes number 'just in case'. He added that the purchase order policy and procedures will be reviewed. He said the expenditure report shows bottom line. Because we are level-funded, mechanisms were in place. We didn't know the depth of the problem until recently. He said the board meets about the budget over two meetings, and then with the budget committee once or twice. He said expenditure reports are online monthly.

Jessica Kukey-Cambridge-There is a level of unacceptable process negligence. The community has a right to know the remediation plan. What's next, who owns this, who is accountable, what will the success measures be. There must be appropriate processes in place. What are next steps.

Amy Magnan-Cricket-Is a bank loan an option. The teachers and staff do the best they can.

Bill Rearick said they can get a bank loan, but Alan Villeneuve said that is not an option the board has discussed. Kara Terrill-Wilsons Crossing-If four contracted paras are being dismissed, what is the plan to train their replacements. Will students still have a para.

Lori Collins said that if the need for a para is in an IEP, the student will get that service. She said the paras that are being replaced are not the one(s) specially training for behavioral students. The para with the higher level of training will stay on.

Winnie Sankovitch-Eaton Hill-Where is the money going to come for spring sports.

Alan Villeneuve said Danika and Heather will rely on private funding from the community.

Anthony Lockwood-Pond View-The issue was not addressed properly. Parents found out about spring sports from the kids. The staff didn't know how to handle it with the kids.

Todd Royce-Seavey Drive-Think about the stress this will add to current teachers. Sounds like cutting jobs causing bigger class sizes. Teachers will go elsewhere. Don't want to lose a good teachers.

Alan Villeneuve-Teachers must be notified by April 15 of their renewal, and there is no proposal to cut any teaching position. Tonight's discussion is on the 2023/2024 budget only.

John ? –Juniper Circle-Would be nice if staff had help addressing the students. Why is it so much higher than the state average.

Alan Villeneuve said you budget for known special education needs.

James Declemente-Spruce Lane-How did this sneak up on us. Special ed jumped significantly. Grossly underestimated the changes that would have come after COVID. The community will make up for the lack of oversight on the board and administration's part. No one feels comfortable with the superintendent. He's passing the buck. A non-finance person shouldn't be running the district. Hope next year finds a new set of board members.

Anna Tanguay-Pond View-We are taking funds from next year. What happened to the fund balance. Why cut sports. Coaches don't do it for the money, they do it because they love it.

Alan Villeneuve stated that school fund balances are returned to the town annually.

Aaron Beaudry-When do they go through the budget process. Can we revisit it and reallocate money.

Alan Villeneuve stated that the time to change budgets is in December and at the time there was enough money in the trust funds to cover the known overages.

Tanya Voisine-Londonderry Tnpk-Removing four paras will be traumatic. There will be regression. Board needs to realize this is not fair to the kids.

Jason Morin-Steam Mill-Knew in September there were 19 kids instead of 8. We knew we had more kids before the budget was presented and voted on. Taking away from next year.

Janice Baker asked the Superintendent what is the timing to secure an advance from next year's school budget. Bill Rearick responded that it must be by June 30. We need to know where the revenue is coming from. Janice asked for the Candia option on busing, and Bill Rearick said if we use the unassigned Candia bus, it would save \$13,500 and all high school students would continue to have transportation.

Motion by Janice Baker, seconded by Derek Berger, to move forward with using excess revenue, using state catastrophic aid, liquidating Special Education Trust Fund by the amount of 161,239 and leverage the Capital Trust Fund by 192,169 (as presented on the PowerPoint slide #6), and the motion carried unanimously. Motion by Derek Berger, seconded by Janice Baker to reduce school spending to \$138,275, and the motion carried unanimously.

Motion by Janice Baker to table securing an advance against next year's school budget (as presented on the PowerPoint slide #6), and the motion carried unanimously.

Christine Molan-We need a remediation plan success criteria. Glad not taking from next year. We must right this ship.

Anthony Lockwood-How many students are affected by high school busing versus those playing spring sports. Buses aren't being maximized. Nearly empty. Rethink having buses versus cutting sports.

Alan Villeneuve stated that 75-90 use buses and 48 are involved in spring sports. Looked to find the least impact on students.

Alyssa Stanton-Squirrel Drive-Is there any way to get funds for the IEP's from the beginning of the year that have now been corrected. Have we budgeted the same way for next year. We will have double the problem.

Bill Rearick stated that you cannot recoup the funds lost on those IEPs that were not filed correctly, but that the district will receive funds from the point forward.

Alan Villeneuve stated that we budgeted more the next year in anticipation, but know that transportation will be over. We haven't focused on next year's budget as we have been working on the current issue.

Tim Betke-Winchester-There are closer to 80-100 spring sport participants

Gabrielle Bedard-How many attend AVS. Why reduce items that affect kids. This affects the entire school. Reducing from those who actually need it. The board only cares about money. Should have pride in the community, in education and have trust. Important to keep kids in mind.

Aaron Beaudry-If there will be a deficit next year, when will it all be balanced. Do you think there will be positions cut at the school, and will Alan Villeneuve recuse himself from voting on cuts to teachers.

Alan Villeneuve stated that they haven't determined next year's impact. Next year's budget will be built on known expectations. He said budget questions will be answered within the next ten days.

Donna Tousignant-Were spring coaches under contract.

Alan Villeneuve said they have been approved. Bill Rearick said that if the sport has not already started, the contracts did not have to be paid out.

Tanya Voisine-Had a signed contract which was retracted. Because of the community, spring sports will happen. Not ok with that.

Aaron Beaudry-Board should stop using the PTO as a piggy bank. Should budget properly.

John ? –Juniper-By having retracted sports contracts says the board had already made their decision. Make sure to budget with a margin of error next year.

Amy Johannet-There has been a call to action but can't promise it will cover all spring sports. The Auburn Braves Athletic Booster Club is working to cover costs.

Alan Villeneuve thanked everyone for coming and said that AVS has a great staff and that no decisions or choices are simple.

ADJOURNMENT

Motion by Derek Berger, seconded by Adrian Newton, to adjourn the meeting at 8:42 p.m., and the motion carried unanimously.

The Auburn School Board's next regularly scheduled meeting will be held on Tuesday, April 9, 2024 at 6:00 p.m. in the Auburn Village School Media Center.

Auburn School District Budget Update

March 21, 2024

Overview

• What is the budget problem?

How did it happen?

• What is the impact and how do we solve it?

How do we prevent this from happening again?

Budget Problem

• The 2023-2024 school year budget is **\$17M**.

- Supports education for students ages 3 - 22

• As of 3/18, we are over budget by \$776K.

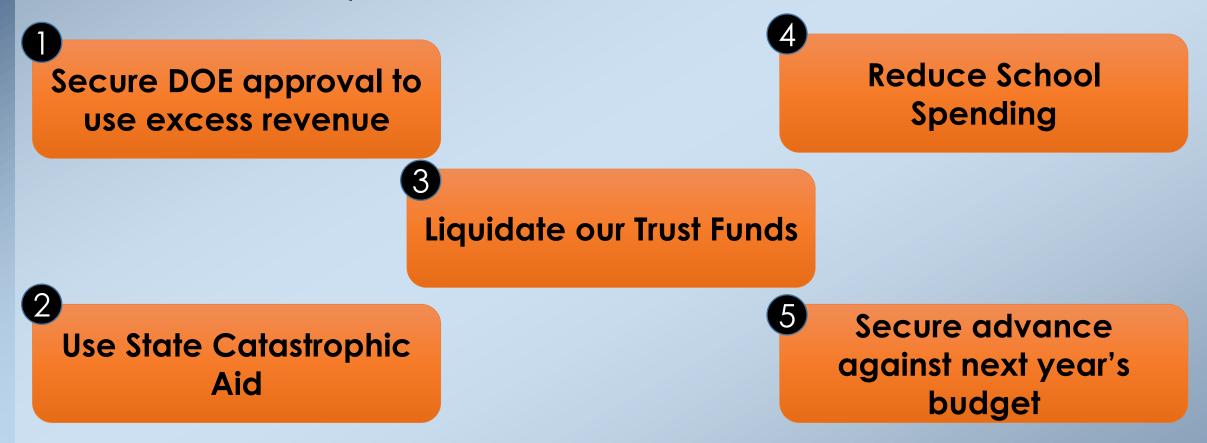

• We need to close the gap in order to pay our bills through the fiscal year that ends 6/30/2024.

How did this happen?

- The number of students identified for special education services this year is higher than the number we estimated in Fall 2022 when this year's budget was developed.
- Some special education students are receiving more intensive services than estimated.
- The number of special education students being identified in our area is increasing, resulting in fewer, more expensive contracted service providers to choose from.
- Reimbursement from the State was not maximized for some special education expenses.
- Special education spending wasn't sufficiently tracked against the budget this year.

How do we solve the problem?

Several ways

Current Plan

#	ltem	Amount	Details
1	Use excess revenue	\$ 66,278	Requires DOE approval.
2	Use state catastrophic aid	\$ 28,506	
3 a	Liquidate Special Education Trust Fund	\$ 161,240	Requires Trustee approval.
3b	Leverage Capital Trust Fund	\$ 192,170	Requires Trustee approval.
4	Reduce school spending	\$ 154,775	
5	Secure advance against next year's school budget	\$ 1/3 163	Requires Town of Auburn approval.
	TOTAL	\$ 776,132	

Additionally, we are assessing how to best serve the needs of our special education students in the most cost-effective way.

Reducing School Spending - \$155K

#	ltem	# Students Impacted	Details
1	Reassign paraprofessionals	100	Dismiss 4 contracted paraprofessionals and reassign 3 kindergarten and 1 media paraprofessional to special education
2	Lay off special education secretary	70	
3	Eliminate professional development for teachers	662	Professional Learning Communities (PLC) training
4	Eliminate spring sports funding	48	Not able to pay for coach stipends, field upkeep, referees, etc.
5	Eliminate bus transportation to/from Pinkerton	75-90	
6	Eliminate field trip transportation	320	
7	Freeze supply purchases	662	
8	Possibly other items	TBD	

Supports & Contacts

 AVS Staff – Superintendent Rearick will be at AVS tomorrow to support staff and answer questions

- High School Transportation please contact the SAU office at 603-622-3731 if you have questions
- **Sports** Resident Heather Lockwood and Danika Ashness (Athletic Director) will be coordinating spring sports
- Various communications will be sent to parents tomorrow re: kindergarten changes, field trips, spring sports, etc.

What is the impact next year?

• There will be an impact to the 2024-2025 budget, but we don't have a full picture yet.

• We will be looking at various ways to cover the shortfall and will provide more information as we know more.

How to prevent this in the future?

New Special Education Director and Business Administrator

- Tightening special education and financial controls
 - New Special Education Director will report to the AVS Principal.
 - Approval will be required by Superintendent for any budget line item to go over budget.
 - Policies that affect financial controls will be examined and updated as needed by the School Board.

Next Steps

 Secure DOE approval to over-expend budget, use excess revenue, and secure catastrophic aid

 Execute other elements of our plan – e.g., Trust Funds, expense cutting, etc.

• Provide regular updates as to how the plan is progressing and impacts to students, staff, and residents this year and next.

AUBURN SCHOOL BOARD MEETING MARCH 27, 2024 AT 6:00 P.M. AUBURN VILLAGE SCHOOL GYMNASIUM

These minutes have not been approved.

Alan Villeneuve, Board Chair, called the meeting to order at 6:00 p.m. Those in attendance were members Janice Baker, Derek Berger, Jason Tyburski and Adrian Newton. Also in attendance was Principal Lori Collins, Director of Curriculum, Instruction and Assessments Meg Largy, and Interim Business Administrator, Karen Lessard.

PLEDGE OF ALLEGIANCE

Olivia Baker led the attendees in the Pledge of Allegiance.

PROOF OF POSTING

Alan Villeneuve provided proof of posting.

Members of the Board introduced themselves.

Alan Villeneuve thanked the public for all the emails and suggestions. He said many people have volunteered.

NEW BUSINESS

Pinkerton Offer

The Board reviewed the letter from Pinkerton Academy offering to allow the Board to use the 2024/2025 tuition money to offset the 2023/2024 budget emergency. The funds would be specifically earmarked to support 2024 student spring sports, field trips and arts/music programs.

Derek Berger if the Board were to accept this offer, it would effectively be borrowing against next year's budget. He expressed concern with the stipulation on how the funds can be used. Janice Baker agreed with Derek. She appreciates the offer, but said she's reluctant to further add to the obligation against next year's budget. Jason Tyburski said accepting the offer would compound the issue by borrowing against next year. Adrian Newton asked if we usually get a credit at the end of the year from Pinkerton, to which Alan Villeneuve said after Pinkerton closes their books, they will send the district the appropriate credit or a debit.

Motion by Janice Baker, seconded by Derek Berger, to thank Pinkerton Academy for their offer, but respectfully decline given the uncertainty of the 2024/2025 budget, and the motion carried unanimously.

Board Budget Update

Alan Villeneuve stated that every day the numbers are modified. They are now working on next year's budget. He said more information will be available at the April 9 Board meeting. Alan said he reached out to the NH Department of Education Commissioner Frank Edelblut about the possibility of recouping revenues that were missed due to paperwork not having been filed correctly. Mr. Edelblut did not promise anything, but will look into an assist at year's end.

OLD BUSINESS

Board Clerk Nomination

Motion by Derek Berger, seconded by Adrian Newton, to nominate Jason Tyburski as Board Clerk, and the motion carried unanimously.

PERSONNEL

Staff Nominations

Motion by Derek Berger, seconded by Jason Tyburski, to approve the Auburn School District teacher nominations as presented, and the motion carried unanimously.

OPPORTUNITY FOR PUBLIC to ADDRESS THE BOARD

Donna Tousignant-Coleman Road-Asked for a clarification if we are \$750,000 over budget now or expect to be in June. Is the board aware of what is going on in Hooksett. The boards should be in communication with one another. Is the Board concerned with the SAU leadership. Alan Villeneuve said they are currently \$776,000 but the board will be using the Special Education Trust Fund and Building Trust Fund to help offset this. He said he has heard a little of Hooksett's overage in special education, but that Hooksett has a bigger enrollment and larger trust funds. Alan Said the Board is concerns with the SAU business services that it provides.

Emily Schmidt-Olde Town Road-Did the board just approve the 24/25 contracts for people or positions. Not replacing retiring teachers will create larger class sizes. Keep the standard of education we all want. Alan Villeneuve said that tonight's nominations were for classified staff. No custodians, office or paras were approved. These will be discussed at the April 9 meeting.

Amy Magnan-Cricket Lane-Disagree will the board not accepting the loan from Pinkerton. The need is now. Alan Villeneuve reiterated the Board's reasoning about not wanting to borrow against the 24/25 budget and the constraints for use of those funds.

Adam Diorio-Rattlesnake Hill-What is the contingency plan if you can't use the trust funds. AVS is understaffed. Pursue taking out a loan. Consider having a town vote. Think outside the box. Alan Villeneuve said that no special education teaching positions have been removed and that AVS is fully staffed based on what has been requested. He said it is a 3 month long process to have a town vote and they don't know the extent of next year's budget yet-they may have enough to cover it.

Christine Molan-Fox Drive-How are we going to make sure we know what shortfalls there will be in 24/25. Do a town vote. Get it done sooner than later. If not, put it on warrant for next year. Is there an opportunity to have own preschool. On April 9, will we know real things that can be done this year and next year. Borrow money if we need to. Alan Villeneuve said there is no mechanism for anyone to collect funds other than the July and December tax bills. He said next year's budget has preschool but numbers need to be verified including possible revenues. He said a preschool program would consist of 12 students in the morning program and 12 in the afternoon program. 6 of each of those 12 would be identified students. He said because of the uncertainty of the budget we will do what we can to provide as much information as possible at the April 9 meeting.

Todd Royce-Seavey Rd-Why does Auburn have the lowest cost per student in the state; concerned with things falling through the cracks. Alan Villeneuve said state numbers are not considered when building budgets. Keith Leclair-Windsor-As a former school board member, knows that board members spend a lot of time doing their job and care about what they are doing. Thanked Karen Lessard for coming back as interim business administrator. Agreed with the board's decision not to accept the Pinkerton offer which compounds next year's debt. Having a special election is not a simple process and won't help the 23/24 over expenditure. Thanked the board for all they do.

Heather Lockwood-Pond View-Has the board considered having a preschool program housed at the Candia Moore School. Confused by board not accepting the Pinkerton safety net. A lot of people are trying to help. The kids will miss out. How much does spring sports cost. Alan Villeneuve said they are still developing a program and have looked at Chester and Sandown. Lori Collins said discussions with Candia have only been at the Principal level and Auburn's needs have been much more immediate. Janice Baker tried to clarify the board's position on not accepting the Pinkerton money. She said given the uncertainly of next year's budget, we don't want to add an additional \$30,000 to it. Alan Villeneuve stated that as of now, nothing has been cut from the 24/25 budget. Lori Collins broke down the cost of spring sports for four teams, 2 lacrosse, 1 softball, and 1 baseball. Coaches, umpires, supplies and field paint cost \$10,900. Field prep and aeration of the infield is \$5,600. Busing is \$10,000. These figures don't include playoffs. Heather Lockwood stated coaches should not be expected to be volunteers.

Andrea Zinkovich-Eaton Hill-The PTA annually supports field trips and has increased their budget this year so children will not miss out on field trips.

Jessica Pappas-Bunker Hill Road-Have any retirees been asked to stay. Alan Villeneuve stated that he didn't feel that the two retirees would be interested and that having them retire actually saves the district.

Amy Johanet-Lovers Lane-How much are we pulling from next year; are earmarked services being cut; when will they know if sports will be cut next year. Janice Baker said the board is looking at all the pieces, at forecasted expenses from this year to next, looking at a preschool program. There will be increases in some areas and decreases in others, but will have a better picture in April.

Marie Plefka-Hooksett Road-Concerning that the Superintendent and interim Special Education Director are not in attendance. Need checks and balances. Who didn't do things correctly. Where was the SAU three months ago. Why aren't all service providers being explored. This should never happen again. Why did it take so long to consider a developmental program/preschool. These meetings should be televised. Alan Villeneuve stated that the special ed programs are run through the special education director. He said interim business administrator, Karen Lessard is doing a forensic analysis. He said the interim special education director has discovered that paperwork hadn't been filed properly and that information had not been passed along. Purchase orders should have been created at the time the director signed contracts with service providers, but it was later discovered that process was not being followed. As far as the recent decision to move forward with a preschool program, Alan said that they had to get to a tipping point for it to be cost-effective and we are at that point. He said the board expects to have a plan for the 24/25 school year.

Derek Berger said that the board has gone through the extensive process of creating a strategic plan and preschool was part of that plan.

Dustin Dulac-Chester Road-Accountability is on the forefront of parents minds. There was a breakdown in process. This is a leadership problem. #14 on tonight's handout should be higher on the list.

Heidi Rosemader-Saddle Hill-At this stage would like the board to listen to the people to understand. Acknowledge that trust has been broken. Need transparency. Have an independent audit.

Michele DeGaspy-Heather Circle-Have a 3rd party audit. The board minutes are too vague. Wants to see financial reports. The Pinkerton vote should have been tabled. Alan Villeneuve said that all financials are included in the board packets that are online. Janice Baker stated that there have been a lot of different updates. The expenditure report is part of the packet. You must look at the entire bottom line. Through 3/12/24, there was a positive fund balance. Knowing we had a special ed trust fund, we thought the special education over expenditure would be covered.

Matt Papineau-Cedar Crest-Have an independent audit. Is the over expenditure solely due to special education. Have they added any non-teaching staff to the school this year. Alan Villeneuve said the overage came mostly from multiple special education lines. Three large lines make up the overage. No teaching staff has been added to the school his year.

Amanda Martinelli-Boxwood-Is there a way to recoup financial losses through an insurance company. Alan Villeneuve stated that we have inquired with our insurance company and that since there has been no criminal activity, there is no legal recourse.

Keith Leclair that you don't track revenues. The issues today are with over-expending and not receiving expected revenues. Keith said the meeting on April 9 will not be the end all-be all. They won't know all the expenses for the upcoming 18 months. Asked if annual audits are still conducted and if so, is it always the same auditing firm. Alan Villeneuve stated that independent audits are done annually, and Karen Lessard stated that the SAU has used two different firms in the time that she was an SAU employee.

Jennifer Anderson-Lilac-Thanks the board and asked them to think outside the box. Is there a way people can donate money to put away funds to help out-maybe help replenish the trust funds. Alan Villeneuve said it was a good concept. In order to accept more than \$5,000, there must be a public hearing. He said the board usually puts unanticipated year-end revenues into the trust funds, but they aren't sure there will be enough to do so this year.

Jessica Pappas-How closely does the board work with the other town officials. Make sure to utilize town staff and make aware of growth projections. Alan Villeneuve said the board and the selectmen do work together. Curt Petrie-Bunker Hill-Who is responsible financially. Were checks done to ensure the financial person was in good standing. Alan Villeneuve said the business administrator provides the financial documentation. The Superintendent is their supervisor. You need to be certified by the state to become a business administrator. Emily Schmidt-The board should request an audit.

Heather Lockwood-Requesting an audit is not an unusual ask. Do an internal control review.

Emily Socka-Londonderry Tnpk-Worked in AVS. Saw increases in special ed spending not having anything to do with services. The high school LEA cost too much money and ineffective with students. The BCBA hours increased astronomically and Tracy Griffenhagen hired her friend who spend many hours in Tracy's office and rewrote IEPs that did not need to be rewritten. Don't think the full overage came from an increase in preschoolers.

Aaron Beaudry-Spruce Lane-Can the board file a motion to do an audit. Want transparency. Have a 3rd party audit. Janice Baker said she wasn't interested in a motion and audits are done annually after the books are closed. Derek Berger said the audit is policy and part of the audit procedure is for the SAU to choose the auditing firm and for the board to be aware of which firm is being used. Karen Lessard said the annual audit is a financial audit, and clarified that the SAU does not do their own audit.

Andrea Robinson-Londonderry Tnpk-That is not a 3rd party audit, and not one that is likely to uncover what has been happening. There has not been enough supervision. This is a serious problem and there needs to be an audit on utilization of services.

Alan Villeneuve stated they are unable to determine what services for IEPs were above and beyond the need. He said the interim special ed director is looking at several IEPs and will report to the board with her findings. Aaron Beaudry-Use grant funds. Why is the board being re-active as opposed to being pro-active. Alan Villeneuve said the district applies for as many grants as possible.

Brittany Parker-Freedom Lane-Important for the board to let people know they have been heard and taken seriously. The next board meeting should be more structured. What does the April meeting look like. Alan Villeneuve said the number one goal is to tell people they have a job next year. The April agenda has not been established yet.

Jen Hashem-Hills Road-Wonderful community. Concerned with the kindergartners who will be losing their classroom paras. Difficult and possibly traumatic transition. Lori Collins said that is a real concern, but hope that because the students have been in class for so long they are used to routines.

Jess Monroe-McEvoy-Don't want to kick the can down the road. Offer Zoom. Put meetings online. Be transparent.

Donna Tousignant-How much faith does the board have in the interim special ed director from Hooksett. Hooksett has overages in special education as well. Mary Shank-Pondview-Will the public have a say when the board decides on making cuts. Alan Villeneuve said there is an opportunity for public input at all meetings.

Lindsay Chandler-Colonial Drive-Conduct an internal and independent appraisal. Evaluate efficiency and effectiveness of a district. Do an internal audit on operations and compliancy laws, rules, regulations and policy processes. We deserve to have that type of audit as an option.

May Schmidtchen-Colonial-Auburn is better than this. Should have an audit done.

Robin Sullivan-Pingree Hill-Online comments are an embarrassment. No need for bashing individuals, we're above that. Keep social media posts kind and professional.

ADJOURNMENT

Motion by Derek Berger, seconded by Adrian Newton, to adjourn the meeting at 8:35 p.m., and the motion carried unanimously.

Respectfully submitted.

NHED Title Grant Conference

The New Hampshire Department of Education (NHED) has implemented modifications to the application procedure for Federal Title Programs. I attended a conference this month to learn more about what this new electronic process entails. Applications must be submitted online prior to June 1, 2024. I am currently working on these applications to secure grant funding for the 2024-2025 school year. Further modifications to the process are expected to take place again next year.

Strategic Plan

On April 8th, the administrative team convened to review the progress of our strategic plan. Discussion revolved around assessing our progress, establishing clear metrics to gauge goal achievement, and identifying the stakeholders involved in each focus area. Additionally, we discussed the timeline to ensure that we are on track to meet our goals. A presentation will be presented to the Board at the April 9th meeting.

Curriculum Review Process

A goal of the strategic plan was to establish a formalized curriculum review process. After drafting this process with Jenn Bordis, we created our first curriculum review committee. The goal was to engage in a critical examination of our middle school science curriculum. Regrettably, the committee's progress has been halted for the current school year due to budgetary constraints. Nonetheless, Jenn Bordis and I are actively strategizing a plan for sustaining and advancing this meaningful initiative.

Work Study Practices

The elementary and middle school committees have successfully finalized the revised work study practices in accordance with the strategic plan and were in the process of developing rubrics to ensure the consistent grading of these competencies. Regrettably, due to budget constraints, funding for this committee's efforts cannot be sustained for the remainder of the 2023-2024 school year. Originally, the intention was to integrate the new competencies into the report card for the 2024-2025 school year. However, Jenn Bordis and I are currently reassessing our progress to determine if this timeline remains viable or if adjustments are necessary.

Respectfully Submitted,

Meg Largy

This year the students can register for morning and afternoon camps and have lunch at school. This enables full day cover for parents who work. We have over nineteen staff members that are participating by offering a camp centered around their talents and passions! Some of the camps include: Advanced Bakers Dozen, Artistic Cards Camp, Dinosaur Camp, Drawing Camp, Face Painting & Balloon Creations, Making Magical Music, Minecraft Camp, Movie Magic, Nature Trail Adventure & Crafting, Ocean Camp, Playdough Palooza, Recycled Jewelry, Tie Dye Palooza, and Weaving & Fiber Arts Camp.

Night of the Arts

A big shout out to our UA team, Melissa West, Marissa Leary, Andrea O'Neil, Linda Reinelt, Sarah Kaufman, Sue Handy, and Andrea Johnston for their participation in our annual Night of the Arts. The artwork that our students are exposed to is absolutely spectacular. Thank you to the PTA for funding the glow light for an extra special glow room display.

Destination Imagination

This Saturday, April 6th, our two DI teams will travel to Goffstown High School to compete in the state tournament. These two teams have continued to practice their solution to their challenge as well as hone their instant challenge abilities. Our team from grades 4 and 5 will be presenting their solution to Unchartered at 9:00AM and our team representing grades 3 and 4 will be presenting their solution to Blast From the Past at 9:40AM. Both of these teams are in the running to win an invitation to DI Globals in Kansas City, Missouri at the end of May. The cost to travel to DI Globals is approximately \$25,000 per team.

Robotics Competition

A big shout out to Linda Reinelt, Andrea O'Neil, and Scott Dube for hosting the first annual True Robotics competition on Saturday, March 30th in our school gymnasium. Congratulations to the AVS Robotics Team for winning the Innovative Design!

Brave Rallies

Thank you to Carly Cohen and Sarah Kaufman for organizing our Read Across America Talent shows. This is the first year we have had an elementary performance and we were all so impressed with the talent! Kudos to Emily Royce and her 4th grade teammates, Bonnie Boucher and Karen Fortier. Emily performed a hula hoop routine with her back up dancers. Fun and smiles were had by all.

Read Acros America

During the last two weeks of March (3/18-3/29), Auburn Village School celebrated Read Across America. Our theme this year was "Let's hit our reading goal out of the park!" Remember to read for the AVS and Fisher Cats Reading Challenge! Our school goal was 100,000 minutes! Participating students that returned their reading log each week will be entered to earn prizes. We had many fun events planned throughout the month, which included dress up days, trivia, Talent Showcase, and a Book Fair.

Geography Bee

Jon Wheeler is planning a middle school geography bee for the spring. The National Geographic Society has discontinued their bee so we are planning a local bee for the students. The goal of the Geography Bee is to get the students excited about the world they live in and motivated to learn geography. Preliminary rounds will take place in Social Studies classes in grades 5 to 8 in March and in April. The final competition will be either on May 16th or May 17th.

Northern New England Invention Convention

Congratulations to Gavin McGinnis on winning the Best In Grade 2nd Place for his Close-O-Matic invention! Gavin is now invited to present his invention at the 2024 Invention Convention U.S. Nationals presented by

RTX. The 2024 U.S. Nationals will be in-person, June 5-7, at The Henry Ford Museum of American Innovation in Dearborn, MI. Each inventor must be accompanied by at least one adult guardian and families will be responsible for all costs. The invitation from Invention Convention Worldwide will contain much more information about how to register, local hotels, and other details.

Preschool

We continue to prepare a comprehensive plan for the proposed preschool program. It will be completed by the end of March and brought to the board at the April meeting.

2024 Northern New England Invention Convention Winners

Congratulations to our New England AVS Winners! 2024 Northern New England Invention Convention Awards Grade 7-12 Best in Grade 2nd Place: Gavin McGinnis for Close-O-Matic Adaptive/Assistive Technology Award: Mark Stapleton for Travel Tec Animal Welfare Award: Rylen Petri for Coz-E-Leash Community Awareness Award: Kieran Knudsen for Aroma Ease Markers Sports/Toys/Games/Music Award: Coen Gordon for Aqua Aid 2000.

Auburn History Tour

The fifth grade participated in the tour around town. Dan Carpenter is ready to head up this much anticipated event that is a favorite of students. We learn about the Manchester Coal and Ice Company which was founded in 1896 and harvested ice from Lake Massabesic on what is now Manchester Road. When you are driving towards the traffic circle on Manchester Road, you can still see the remnants of the original harvest areas on the lake and the original foundations of the buildings near Severance Beach, right before the Rail Trail path. One of the favorite sites is "Devil's Den" on Mine Hill.

Seventh Grade Field Trip to Lowell Mills

The 7th Grade will be participating in their annual trip to the Tsongas Industrial History Center on April 19th. Students will participate in hands-on learning activities and visit sites where history was made. These include a restored factory floor with the deafening roar of 88 power looms, a "mill girl" boardinghouse, an operating water turbine, and more. The hands-on experience makes learning both meaningful and exciting, and the power of place deepens student understanding of not only history but science, engineering, and technology, too. The cost of the trip will be \$15 per students. This trip is an excellent way for students to get hands on experience with topics they have been learning about during the novel study, *Liddy*, and in social studies.

New Hampshire Education Project comes to First Grade

In Science, we will start a new unit on offspring and their parents. We will also participate in "Conservation Kids Workshop." In this workshop, students will learn what energy is, what items we use that require energy, and how we can use less energy. This free workshop is provided by NHEEP (New Hampshire Energy Education Project) and we are looking forward to their visit on April 15th.

Community Involvement Invitation

Community involvement in schools holds significant benefits for students. Students can get access to experts in the field instead of leafing through pages in a textbook. They can learn from the world around them, and see how their work impacts the community. It is a real level of empowerment for students. With that in mind, AVS has *two* opportunities for the community to participate in school activities.

Wellness Fair

One of our opportunities is our biannual Wellness Fair for grades 4-8. Every other year we put together a Wellness Fair for students in grades 4-8. Vendors participate in this activity and historically have included organizations such as: Stonyfield Yogurt, a local dentist, vision providers, Karate/Tai Kwon Do, Safe Sports Network, EMS/CPR trainer, and Breathe NH

We thought we would reach out to our community to see if there are parents, grandparents, aunts, uncles, or friends who may have a business or be employed by an organization who might be interested

in participating in this fair. The goal is to teach children about general health and wellness. The date will be Friday, April 12th. The time has not been decided yet, but it is typically about 4 hours in total during the school day. If you, or someone you know are willing to donate your time, please contact Dr. Lori Collins, Principal at lcollins@sau15.net.

Earth Day

The second opportunity is our annual Earth Day celebration that is planned for May 9th from 9 am until noon with a rain date of May 17th. In the past community members have made and served healthy smoothies, provided Zumba, and showcased their mini horses and ducks! Are you an environmental engineer, beekeeper or a composter? If so, we are looking for Auburn Community members to showcase any environmentally friendly hobbies, careers or crafts!

If you have any suggestions or would like to volunteer to head up a "center" please contact Lori Collins at localing@sau15.net.

Child Find

The Auburn School District will be conducting a Child Find Clinic on Wednesday April 10, 2023 between the hours of 9 am and 1 pm at Auburn Village School. *An appointment is required*.

School districts are responsible to find and conduct a screening for all children ages 2.5 to 22 who reside in the town of Auburn** and are suspected to need special education, including children who are being home-schooled and those who are placed by parents in for-profit private schools. Child Find involves screening your child in speech, motor and learning skills and making a referral to special education if appropriate. The professional staff of Auburn School District will administer the screening and you will be notified of the results and any next steps that may be recommended.

Math Coordinator Board Report Meeting: April 9, 2024

Professional Learning Communities (PLCs): We had our last round of PLCs with the middle school teachers in March. Elementary PLCs met to discuss reading assessments and progress monitoring and ensure that the students who are in reading support are making appropriate progress. Kindergarten analyzed the results of the Universal Numeracy Screener, which we are looking to implement in other grade levels next year for progress monitoring. It gives some good, actionable information about what students are capable of and where their weaknesses may lie. This information can be used in our multi-tiered support system (Strategies) meetings.

Instructional Best Practices: I attended an OGAP (On-Going Assessment Project) train the trainer event. I am certified to bring OGAP training to our teachers in additive and multiplicative reasoning. We have offered these training sessions to our staff for August and have four of our primary teachers signed up. I also attended the NH Math Teachers Association conference and will be bringing some of the strategies to upcoming PLCs.

Preschool Visit: Lori Collins, Lindsay Murray, and I visited the Timberlane Learning Center at Sandown Central to see an established preschool in action. We met with Kim Rivers, the Early Childhood Coordinator. We discussed curriculum, logistics, class sizes and the benefits and challenges of running a preschool program. She will be passing along other resources, such as their curriculum and progress reports as we work towards opening a preschool at AVS. I have also been working with Dr. Collins to solidify the preschool proposal.

Title I Math: We are running our fourth session of Title I math intervention. Progress monitoring of growth for each session shows that students are making gains, especially in the lower grades. On a comparison of performance on a pre and post test of grade level material for the third session, students had a 170% improvement in first grade. Factoring in all grades, an improvement of 45% was seen. These results are consistent with intervention data in general that students make more gains in intervention the younger they are. I am beginning to look at the data to build the fifth session of students.

Curriculum and Assessment: As we approach the final trimester, I have begun to work with math teachers to prioritize the content that needs to be taught so that state standards are being met. The Math in Focus program we utilize for math covers more standards than are required for each grade level by the state of New Hampshire. This is a great thing, but it does mean that we have to prioritize based on time. The final round of NHSAS assessments will be given throughout the month of May. A schedule will go home to parents when it is finalized.

Respectfully submitted,

Survive Bordio

AUBURN SCHOOL DISTRICT BACKGROUND INVESTIGATION AND CRIMINAL RECORDS CHECK

Background Investigation

The Superintendent, or his/her designee, will conduct a thorough investigation into the past employment history, criminal history records, and other appropriate background of any applicant as defined in this policy. This investigation shall be completed prior to making a final offer of employment, approving the contract with an individual contracting directly with the District, or approving the assignment of an employee of a contractor, a student teacher, or designated volunteer to work within the District.

The Superintendent shall develop a background investigation protocol for use in completing a background investigation and shall keep a written record of all background investigations which have been done. For the purposes of this policy the term "applicant" shall include an applicant for employment by the District, an individual with whom the District may contract to provide services directly to students, any person identified by a contractor with the District whom the contractor proposes to assign to provide services directly to students, student teachers who are proposed to be placed in a District school, and designated volunteers. All applicants will be subject to a criminal records history check meeting the minimum requirements of law, however, the Superintendent's protocol may specify additional background check steps for specific groups of employees, such as verifying the educational achievements and employment history of an applicant for a teaching position. The Superintendent's protocol shall include a list of felonies and misdemeanors, in addition to those specified in RSA 189:13-a, V, convictions of which shall be disqualifying. The protocol shall require that an analysis be conducted of any pending charges or convictions for crimes not on the statutory list of disgualifying offenses to determine whether the applicant should be disgualified. The protocol shall take into consideration the time which has passed since the conviction, the facts and circumstances of the charge or conviction, evidence of successful rehabilitation and an extended period of lawful behavior. For charges pending disposition for offenses not on the statutory list of disgualifying offenses, which the applicant discloses or which come to light during the background check, the Superintendent shall consider all reliable information in assessing the applicant's suitability. The Superintendent shall assess whether, in light of the totality of the circumstances, the pending charges or convictions raise reasonable cause to doubt the applicant's suitability for the position.

As part of the application process, each applicant shall be asked whether he/she has ever been convicted of any crime that has not been annulled and whether there are any criminal charges pending against him/her at the time of application. The applicant will also be directed to report any criminal charges brought against him or her after the application is submitted and until either hired or notified that he or she will not be hired. The falsification or omission of any information on a job application, during the pendency of the application, or in a job interview, including, but not limited to, information concerning criminal convictions that have not been annulled or pending criminal charges, may be grounds for disqualification from consideration for employment or immediate discharge from employment.

Any applicant for employment for whom the Board requires a criminal history records check or their employer in the case of an employee of a contractor shall pay all fees and costs associated with the fingerprinting process and/or the submission or processing of the requests for the criminal history records check, unless otherwise determined by the Board. Fees or costs associated with a background check of a volunteer should be borne by the district.

Criminal History Records Check

Each applicant must submit to a background check and a criminal history records check with the State of New Hampshire, including FBI national records as required by RSA 189:13-a and RSA 189:13-b. Refusal to provide the required criminal history records release form and any other required releases to authorize a background check will result in immediate disqualification and no further consideration for the position.

Volunteers

Designated Volunteers are subject to a background investigation/criminal records check and the provisions of this policy. "Designated Volunteers" are defined and so designated pursuant to Policy <u>IJOC</u>. Volunteers not categorized as "Designated Volunteers" per Policy <u>IJOC</u> will not be subject to a background investigation or criminal records check.

Bus Driver and Monitors

Bus drivers and bus monitors employed by contractors shall have their criminal history records checks processed by the New Hampshire Department of Education (NHED) as require by RSA 189:13-a and RSA 189:13-b. Although NHED will conduct the criminal history records checks, the Superintendent or designee shall require a background investigation.

Substitute Teachers in SAU

Substitute teachers working in other districts in SAU 15 who have undergone a criminal history records check within the last three years under RSA 189:123-a shall not be required to undergo an additional criminal history records check unless required by the Superintendent.

Conditional Offer of Employment

Persons who have been selected for employment may be given a conditional offer of employment, with the final offer subject to the successful completion of the background check, the State and FBI criminal history records check, and a determination that there are no disqualifying pending charges or convictions.

No applicant selected for employment shall be extended a conditional offer of employment until the Superintendent, or his/her designee, has initiated the formal State and FBI criminal history records check process and a background investigation.

Any person who is offered conditional employment, by way of individual contract or other type of letter of employment, will have clearly stated in such contract or letter of employment that his/her employment or approval to work within the District as a contractor or employee of a contractor is entirely conditioned upon the results of a criminal history records check and background check being satisfactory to the District.

Final Offer of Employment

A person who has been extended a conditional offer of employment or conditional approval to work within the District as a contractor or employee of a contractor may be extended a final offer of employment or final approval upon the completion of a criminal history records check and a background check which is satisfactory to the Superintendent.

No person with a conditional offer of employment shall be extended a final offer of employment if such person has charges pending or has been convicted of any crime listed in RSA 189:13-a, V; or where such person has been convicted of the same conduct in another state, territory, or possession of the United States; or where such person has been convicted of the same conduct in a foreign country.

In addition to the felonies listed as disqualifying in pertinent and applicable law, a person may be denied a final offer of employment if he/she has charges pending or has been convicted of any crime, either a misdemeanor or felony, provided the basis for disqualifying the candidate is job related for the position in question and is consistent with business necessity. Such determination will be made by the Superintendent

in accordance with the established protocol and on a case-by-case basis. If the Superintendent chooses to nominate an applicant who has a history of conviction of a crime or with pending charges for a position that must be approved by the School Board, the School Board shall be informed that a criminal history exists, or that charges are pending. Pursuant to regulations of the United Stated Dept. of Justice, and RSA 189:13-a, the Superintendent may NOT share with the Board information directly gleaned from the criminal history records check regarding specific criminal charges, arrests or convictions, etc.

The Superintendent, or designee, will transmit each applicant's Criminal Record Release Authorization Form and, where inked cards are used, the applicant's fingerprint cards to the State Police. The State Police will then conduct the criminal history records check and will provide the Superintendent with the applicant's criminal history record or confirmation that the individual does not have a record of being charged with or convicted of a crime. In accordance with RSA 189:13-a, III the Superintendent or designee (Director of Curriculum, Instruction and Assessment, Human Resources Director, or Business Administrator) shall review the criminal history record form the State Police and shall destroy the document as required by RSA 189:13a, III-a.

When the District receives a notification of an employee, contractor, contractor's employee, or volunteer being charged with or convicted of a disqualifying offense under RSA 189:13-a, the Superintendent's protocol, or other crime which is evidence of the individual's unsuitability to continue in their role, the Superintendent shall take immediate appropriate action to remove the individual from contact with students. The Superintendent will then take appropriate employment or other action, consistent with law and any applicable employment agreement or contract to address the individual's ongoing relationship with the District. If the applicant's criminal history indicates that the applicant has been charged pending disposition for or has been convicted of a crime listed in RSA 189:13-a, V, the Superintendent shall notify the New Hampshire Department of Education.

Additionally, a person may be denied a final offer of employment if the Superintendent becomes aware of other conduct which he/she determines would render the person unsuitable to perform the responsibilities of the position involved. Such determinations shall be made on a case-by-case basis.

Additional Criminal Records Checks

The Board may require a criminal history records check of any employee, an individual with whom the District has contracted to provide services directly to students, any person identified by a contractor with the District who has been assigned to provide services directly to students, student teachers who are placed in a District school, and designated volunteers at any time.

Child Sexual Abuse Prevention Education and Training

Any person required to have a criminal background check under this policy shall be provided informational materials, training, or other education, either online or in person, concerning child abuse, or reporting mandates. The training must be completed within thirty days of employment or commencement of services to the district and renewed every two years.
